*New figures not available.

The above statistics include membership in Japan and Okinawa which are united rather than Methodist Churches.

INDEX OF ANNUAL CONFERENCE MINISTERIAL MEMBERS

The following is a list of the Conference Members including Probationers, whose present relation to the Church is recorded in this volume. The figure before each name represents the year in which the man was received into full Membership. Where the figure is omitted there is a question about the exact year and the matter is being investigated. The star (★) indicates that he name will not appear in the General Minutes next year, the man having been transferred to a mission conference or removed by death, discontinuance, location, withdrawal, or expulsion. **Bold-face type** indicates that the preacher is retired. The superior figure in the page number is the column in which the name appears. The editor of the General Minutes will appreciate information which will increase the completeness and accuracy of this record. Address him, The Research and Statistics Dept., 740 Rush St., Chicago 11, Ill.
